

MOUNTAIN TOWN MUSIC'S Michael James Richards Memorial Scholarship

DEADLINE APRIL 17

Up to \$20,000 in scholarship(s)

Michael James Richards, a Park City High School student, started his spirit journey shortly after his high school graduation in 2019. Michael had a voracious appetite for all things music; he was a collector of vinyl, was always on the lookout for limited edition artist hoodies to add to his collection and grew up immersed in the live music world of Mountain Town Music. Michael was a generous, charismatic, funny kid with a huge heart who marched to the beat of his own drum and cared deeply about his family, friends, and his community. The Mountain Town Music Michael James Richards Memorial (MTMMJR) Music Scholarship honors Michael's life and helps provide a path for students with a passion for music, to pursue music as a vocation.
